Beginning with the 2022 renewal year, all licensees and/or designated qualifying representatives for a corporation, LLC, or partnership under the age of 60 must obtain six (6) credit hours approved by the Alabama Licensure Board on or before November 30, 2022, in order to renew Alabama Home Builders license for 2023.

COURSE:

HBAA SAFETY 6

This course has been approved for 6 hours of continuing education credit. Safety 6 educates participants on common residential and light commercial jobsite hazards. It covers safety rules governing most construction jobsites and offers practical injury prevention measures. Safety 6 provides instruction on how to respond to an OSHA inspection and how to avoid OSHA citations and penalties.

Instructor will be Mike Massey with the Loss Prevention Section of the HBAA Workers' Comp Self-Insurers Fund.
