COURSES:

C-214 PLANNING & SCHEDULING FOR CONSTRUCTION PROFESSIONALS

This course has been approved for 3 hours of continuing education credit. It will provide a better understanding of the fundamentals of planning and scheduling in an effective way. Participants will be able to discuss scheduling challenges, have 'hands-on' scheduling exercises and will be given sample templates to develop further. Instructor is Tom Gotschall.

C-013 RESIDENTIAL CONSTRUCTION PERFORMANCE GUIDELINES

This course has been approved for 3 hours of continuing education credit & is Alabama specific. Residential Construction Performance Guidelines is the most widely used industry standard on how homes should perform during the warranty period. Tom Gotschall will explain the 'whys & hows' to help builders & remodelers manage customer expectations and resolve customer complaints.
